## WHY BECOME A DONOR?

Your gift matters and makes an impact.

- When you support our venues, you directly support the local community through cultural advancement and economic impact!
- You can help change the lives of students and young people by ensuring no one is turned away because of financial need.
- To join other members and community-minded supporters who believe in the arts.

## IT'S SO EASY!

### PLEDGE NOW/PAY LATER

Make a pledge now and make payments through the year!

### DOUBLE YOUR DONATION

Does your employer match your charitable contributions? A \$500 donation, when matched, doubles your impact on the arts and makes you an Angel-level donor!

### STOCK GIFTS – A Win For Everyone

Donations made in the form of appreciated stock not only save you capital gains, but also gives you a charitable deduction for the current value of the stock.

Please tear off this section selecting your choice of donation level and return it along with your corresponding gift/pledge.
